In the free version, there is a flashcard to learn the basic vocabulary. Of course, this certificate was certified by McGraw-Hill Education thanks to the special report I had from the beginning. If you exceed these tests, students will receive an official certificate from MCGRAW-HILL EDUCATION. Learn online languages through Busuu to get a certified by busuu, you have the opportunity to get the CEFR certificate at the end of the course. The CEFR has long been the standard for all languages students if you really want to invest seriously. At the same time, it opens opportunities to expand the relationships, helping you to make more friends for your foreign language studio in the future. Choose a linguistic learning app that best suits your purpose. This is a previous unprecedented in mobile apps for language learning. The reason for this is because from 2015, before its official launch, Busuu has tightened a partnership with McGraw-Hill Education, one of the largest educational institutions in the world to jointly build an official certification system to help students evaluate their linguistic competence after studying at the app. This application tells you: how the word sounds, how to read it, what to write to you and how to say it in the real sentence. Also, when you learn a foreign language with Busuu, you will have a series of interesting games, interesting puzzles and unique improvement exercises that are not boring and still impressed in your mind. Student seriously and playing in moderation, this is what makes me feel very good with Busuu. And so far, the application is constantly updated, enriching its database and its functions. You can completely enter this certificate in your CV as proof of your existing linguistic knowledge. Note: This certificate is only to confirm your true knowledge of the language. Compared to the set of advantages mentioned above, some disadvantages do not affect the learning process much. learning, ah usub ?osotoc muimer? usub si.ilibisicca 'Aip e adibrom 'Aip areinarts augnil anu id otnemidnerppa'l oser onnah itseuq ittuT .jeporue iseap ien itucsonocir e RFEC dradnats arutturts allus itatgorp onos jilibinopsid isroc 21 elatot ni(isoremun isroc 'Aip o usub id tset i .inoizel id inoizel id ametsis oretni'l ,arpos otted oh emoc .areinarts augnil anu rep .Atiliba orttauq odnangesni eranibmoc ?Aup iuc ni odom li "A etnasseretni esseretni id otnup odnoces ll .odom ossets olla et ad erarapmi onospp irtla ,otrec .iggo eralopop 'Aip acitsugnul otnemidnerppa id ppa'l "A KPA doM uusuBeriuqer krowteN0.5 DIORDASRIUQEREERFECIRPM33eziS256.0.0.4.22 enoisreV otaccolbs muimeSehicitsirettaraC doMnoitacudEyrogetacuusuBrehsilLupcne.diordnA.uusuB.mocemaN egakcapuusBemoN ,augnilerdam noc eracitarp id etnesnoc it ehc "A usubB alled otats id .Atilanoiznuf elled anU ?eugnul elled otnemidnerppa id ppa ertla id aianitnec art usub elaiiceps "A ©AñcreP .ppa'llad inoizaticrese de inoizurtsi ellus itartnecnoc orevvad ived ,odoirep everb leuq ni .illevil isrevid a tset i e inoizel el ettut erirpa ,erarapmi rep augnil al ereilgecs id .Atrebil al emoc ,evisulcse Atilanoiznuf ertla etlom irpa muimer? enoisrev al ertnem ,atattimil erpmes "A atutary enoisrev al .otazilanosrep kcabdeef nu erenetto e augnilerdam noc aruttirts id izicrese ilg eredvidnoc elibissop "A ,augnil alled aznecsonoc aut al eratset rep .idnoces ihcop ni jilibinopsid onos itatlusir l . .Atisrevinu esomaf ellen otnemidnerppa'l e augnil alled otnemangesni'l rep ecaciffe etnestsissa"nU etnemadipar itatnevid onos e 6102 oiggam a ataicnal atats "A acitsugnul otnemidnerppa id enoizacilppa augnil alled otnemidnerppa id augnil anu orteid avitacifngis enoizaler anU 'telaser otacifitrec nu erenetto am ,enlho gnihraelusub id eugnil ellus e cudortni .itmetu ilga eloketon otnemidnerppa id azzeiciffe"nu otatrop ah usubB ,dradnats otnemidnerppa id e icittadid lairetam e esabtatd occir nU two formats of use, free plan or a paid service. Busuu currently has 12 different language courses (English, German, Spanish, French, Russian, Arabic, Japanese A&A) that synthesize all four skills, listening, speaking, reading and writing, from beginner, intermediate and high level. For example, with a new vocabulary, you can easily find how it is used in sentences, see vivid illustrations, listen to how a native speaker reads with a standard accent, and read it with the microphone. If passed, you will be issued the CEFR certificate, soft copy to download to your computer or print it when necessary. And finally, you need to get the score required for the final exam. exam.
